2011. Vancouver Draw Down 2011, Vancouver BC
Artist Intern Coordinator

Worked with an artist team to create and facilitate workshops, through the Vancouver Parks Board and nine Vancouver-area community centers, that are community-based, inclusive and collaborative. Helped evolve an online and social media presence to promote drawing as a fun and expressive activity. (www.vancouverdrawdown.com)

2011. New Directions in Drawing Exhibition and Symposium, Emily Carr University, Vancouver BC
Co-Curator, online exhibition.

Co-curated an online exhibition to accompany the New Directions in Drawing Symposium from international submissions. This exhibition focused on the variation and development of the drawing medium and is a representation of the expanding definition of drawing. As part of the exhibition, I created a website with a slideshow of the images in the show, as well as artist bio and website information. (www.newdirectionsindrawing.com)

2011. The Sim Center @ Emily Carr University
Research Assistant.

Under the supervision of Dr. Maria Lantin, I am assisting in the Beta testing for the SANDDE 3-dimensional drawing tool. I report weekly to the developer and Dr. Lantin regarding the issues and changes needed for the software. As a final outcome of this project, my fellow researchers and I will create a series of images using the software.
